

Chairman's letter – Bearsden & Milngavie Arts Society – June 2021

Dear Member of the Society

I shall always remember this period of my life and the enjoyment shared with you all in supporting and participating in Bearsden & Milngavie Art Society. Many of you have become close friends over the years.

It has been a great privilege to serve as Chairman again, almost completing the second term.

Throughout this Pandemic your Committee has faced many challenges with positive actions and good will, presenting to you the members, a new updated website full of useful and entertaining information on forthcoming ZOOM lectures, Cultural links, etc. Please do make use of this and try to attend the ZOOM lectures until such time as we can all resume our meetings at New Kilpatrick New Halls. Many of you completed the Rebooting TASBAM Questionnaire and have offered in the future periodic help with projects, outings, study days, etc and this has been most appreciated, however, we do require to protect the ongoing success of the society, and this can only be done with leadership and permanent commitment.

I sincerely thank all current Committee for their dedication and wish them well in the future.

Trusting you will all continue your Membership as I hand over the reins with my best wishes to you all.

Keep smiling through, keep well, and be kind to each other.

Meg Macfarlane
