Learning Visits 2025

Education and Community Groups

Housed in a former Victorian bathhouse in the heart of Edinburgh's Old Town, a world-renowned tapestry studio continues a century-long legacy of creating hand-woven tapestries. Dovecot Studios has been pushing the boundaries of traditional Scottish craft and contemporary textile art since 1912.

At Dovecot, we are committed to facilitating unique educational opportunities. We invite visitors to watch art come to life from the Tapestry Studio Viewing Balcony as our skilled weavers create exquisite tapestries and tufted rugs. Alongside this, we offer an exciting programme of ticketed and free exhibitions and events which explore historic and contemporary art, craft and design.

Tapestry Studio Viewing Balcony

Visitors can access free exhibitions on our Viewing Balcony Gallery which also allows for a birds eye view into our tapestry studio.
